

ABOUT

Detail-oriented graphic designer with a passion for solving visual problems. With 10 years of professional experience in both print and digital media, I specialize in crafting compelling brand/campaign identities, designing captivating marketing materials, and delivering polished visual solutions for any potential problem.

WORK EXPERIENCE

GRAPHIC DESIGNER 2

2019 - 2024

Akamai Technologies | Cambridge, MA

- Worked in-house for this large tech company designing a variety of projects.
- Concepted, designed, and prepared for print many large scale environmental graphics for events such as Edge World & RSA, and campaigns such as the Life Online Campaign, and the South Station Takeover.
- Created whitepapers, infographics, social posts, and GDN ads for advertising campaigns and events.
- Made motion graphics and edited videos for digital assets and internal pieces such as "year in review" videos, sizzle reels, and our 25th anniversary.
- Designed identities for events, campaigns, and internal projects.
- Won the "Impact Award" in Q1 of 2022. The impact award goes to one employee per quarter out of close to one hundred in the greater marketing department. It is nominated by peers and is meant to highlight the co-worker who made the biggest impact in the department during that quarter.

MARKETING GRAPHIC DESIGNER

2015 - 2019

InScribe / Awesome THIS! | Woburn, MA

- Worked in-house for this B2B software company which specializes in personalized goods and invitations.
- Was in charge of design and printing of all marketing materials such as catalogs, postcards, social posts, event graphics, email blasts, product photography, packaging design, product labels, and much more.
- Helped to re-brand the company once we created and focused on our Awesome THIS! software.
- Worked with hardware such as booklet printers (Xerox® Versant® 4100), Roland wide format print and cut machine, Heat press, DSLR camera, and more.

GRAPHIC DESIGNER/LAYOUT ARTIST

2014

The Bridge Newspaper | Montpelier, VT

- Managed all layout responsibilities for this newspaper in the capital city of Vermont.
- Designed advertisements for local companies who bought advertising space without ads.
- Took photos of local events to feature in paper.
- Prepared for print and delivered files to printer.
